HOUSING CHOICE VOUCHER PROGRAM

Housing Choice Voucher Program (Section 8) Information

The Housing Choice Voucher Program is the federal government's major program for assisting very low-income families, the elderly, and the disabled to afford decent, safe, and sanitary housing in the private market. Since housing assistance is provided on behalf of the family or individual, participants are able to find their own housing, including single-family homes, townhouses and apartments.

A family that is issued a **Tenant Based** Housing Choice Voucher is responsible for finding a suitable housing unit of the family's choice where the owner agrees to rent under the program. This unit may include the family's present residence. Rental units must meet minimum standards of health, safety, and affordability as determined by the PHA.

Section 8 Project Based Voucher Program

The Section 8 **Project-Based Voucher** (PBV) program is a component of the Statewide Section 8 Housing Choice Voucher (HCV) program and provides long-term project-based rental assistance contracts for very low and extremely low-income households. Unlike tenant-based assistance where the assisted unit is selected by the family, rental assistance is paid only for contracted units in specific housing developments under the PBV program.

In St Lawrence County there are 8 Housing Complexes that offer Project Based Rental Assistance
